Management of Technology Step to Sustainable Production

May 31 – June 02, 2023

Hotel Kolovare, Zadar, Croatia

CALL FOR PAPERS

The International Conference Management of Technology – Step to Sustainable Production (MOTSP 2023) will take place from 31th May – 2th June, 2023 in Zadar, Croatia, as project organized by the Croatian Association for PLM and Faculty of Mechanical Engineering and Naval Architecture, University of Zagreb. The main objective of this Conference is to gather international experts from academic entities, research laboratories and industries related to the field of Management of Technology and Sustainable Production. The Conference will also provide a platform for sharing knowledge, ideas and results between science and industry.

The management of technology, stimulation of innovation and invention, augmented reality, management of COVID 19 and transfer of technology are important challenges of the developed countries and countries in transition.
